CAPTAIN CANOT. UTHOR OF THE GREAT BOOK JUST BE-ING PUBLISHED, SPEAKS of HAMPTON'S

GREAT CURE OF RHEUMATISM CONTRACTED UNDER TROPICAL CLIMATES. BALTIMORE, Md., June 4, 1854. Mr. Stockbridge, of the Fountain Hotel, Light street,

Dear Sir: Being on the point of leaving the city, avail myself of a few idle moments to thank you kindly for the medicine you sent me, and which has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's Vegetable Tincture my confidence is so strong that, in gratitude to the proprietors of said medicine, I beg you to present my respects to them, and induce them to make it more publicly known as a sure Rheumstic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed, useless in all my limbs, you can appreciate nearly as well as myself the prompt relief I received from Dr. Hampton's Tincture, and I am positive had it not been for your strong and forcible recommenda-

tions I should still have been in bed. It is really a pity this specific should not be approved by medical men, and like all patent drugs it should suffer the imputation the public generally give to such preparations. I myself, who was always opposed to a patented specific, took this medicine with reluctance, and without confidence in it, and it was only through your disinterested, friendly recommendations, and my critical situation that induced me to try this really beneficial Vegetable

You may inform Messrs. Mortimer & Mowbray that they are at liberty to make use of my name in the support of the good effects of Dr. Hampton's Vegetable Tincture, as it has cured me in five weeks of a chronic Inflammatory Rheumatism, contracted under tropical climates, and of seven years' periodical duration. I have only used three bottles, and find that even the deformed parts of my hands are fast returning o their former natural appearance. I have been under the treatment of several phy-

icians in London and Paris, without any apparent benefit; also, while in New York, having tried the hompsonian and Homospathic remedies, after having been tormented with galvanic batteries, cold and sromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so tar, cured by this Hampton's Vege able Tincture only. Therefore, my dear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CANOT.

REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, VA, Aug. 18, 1851. Mr. J. E. Boush-Dear sir: While I am, in general, opposed to patent medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy. I am, respectfully, yours,

VERNON ESERIDGE. Chaplain, United States Navy.

PHILADELPHIA, March, 1, 1888. Dr. C. M. Jackson: Dear Sir-For the past two yours I have been severely afflicted with Liver Complaint, Dyspepsia, Bilious Diarrhoea, and Piles, sutering in a great degree constantly, the pains and inconveniences attendant upon such diseases, without saergy, being scarcely able to attend to any busioess. I lost a great deal of my flesh, and used many cinds of medicine, with no apparent change, until I commenced with your "Hookand's German Bitters," they have entirely cured me. I have gained in weight over forty pounds since I commenced their use, and I am now entirely free from pain and ache of any kind, and feel like a new man. I unhesitate ingly recommend your Bitters to all invalids.

AGUR AND FEVER-GREAT JURE.-I hereby certify that for three years I had Ague and Fever of the most violent description. I had several Physictans, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither Chille or Fevers since. I consider it the best Tonic in the world, and the only medicine that ever reached my JOEN LONGDEN.

Dr. MINGE, a practising Physician, and fermerly of the City Hotel, in the city of Richmond, says he kas witnessed in a number of instances the effects of Carter's Spanish Mixture, which were most truly surprising. GREAT OURS OF SCHOFULA.-The Editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofuls, combined with Rheumatism, which entirely disabled him from work. As the preacher waxed warm, he observed some mysterious movement among the female gender, which attracted his attention away from the sermon. It grew more observable, until he discovered the hostess collecting some live coals upon a shovel, and preparing to march with them to an adjoining room. It was late in the afternoon, and by clerical instinct, he thought the old woman was about to prepare his supper. He couldn't stand that.

"Stop, sister, stop," said he. "I shall not remain to supper, and you need not treuble yourself to prepare any for me."

The title of the Gazedas was, perhaps, derived from gazzera, a magpie, or chatter, or more probably from a farthing coin peculiar to the city of Venice called gazetta, which was the common price of the newspapers. These early newspapers were not allowed by a jealous government to be circulated in printed form, but the Venetian Gazette continued long after the invention of printing, to be distributed in manuscript. In a library at Florence are thirty volumes of the Venetian gazettas, all in manuscript. Mr. George Chalmer states that man-kind are indebted to the wisdom of Queen Elizabeth, and the prudence of Burleigh, for the first genuine newspaper. In the British Museum are several newspapers which were in the English Channel, during the year 1588.
